CAREER SUMMARY

Lisa brings over 24 years' experience in commercial real estate and graphic design. Lisa is responsible for creating cutting-edge marketing collateral, including brochures, presentations, offering memorandums, marketing boards and other related marketing materials.

She is the lead graphic designer for the San Diego and Encinitas offices and assists with 5 other offices. She is responsible for the oversight and direction of all design-related facets. She is a confident and creative designer who is motivated and driven and likes to think outside the box. Her belief is no client is the same and neither is design. She prides herself on designing custom materials to suit her client's individuality and needs.
